AS WE GRO W...

The school year 1960-1961 has certainly been a period of growth for Nampa Christian High School -- both scholastically and spiritually.

The spreading tree at the right represents our school and all of its functions -- or branches and leaves.

"As we grow", we branch out. Each part of our school is represented by a cluster of leaves and as you turn through the following pages you will see these branches -- our school life, the administration, the classes, the organizations, and the sports.

The acorns are the seeds which will grow in the future -- these are protected by the leaves. This could be applied to the growth of our spiritual leaves. We feel that through the past year the most important thing has grown; this is our realization of the preciousness of what we have in our hands -- our Christian beliefs, that at all costs must be protected for the future, so they will grow as the acorns, into great spreading influences.

Dedication

...Pop Frazier

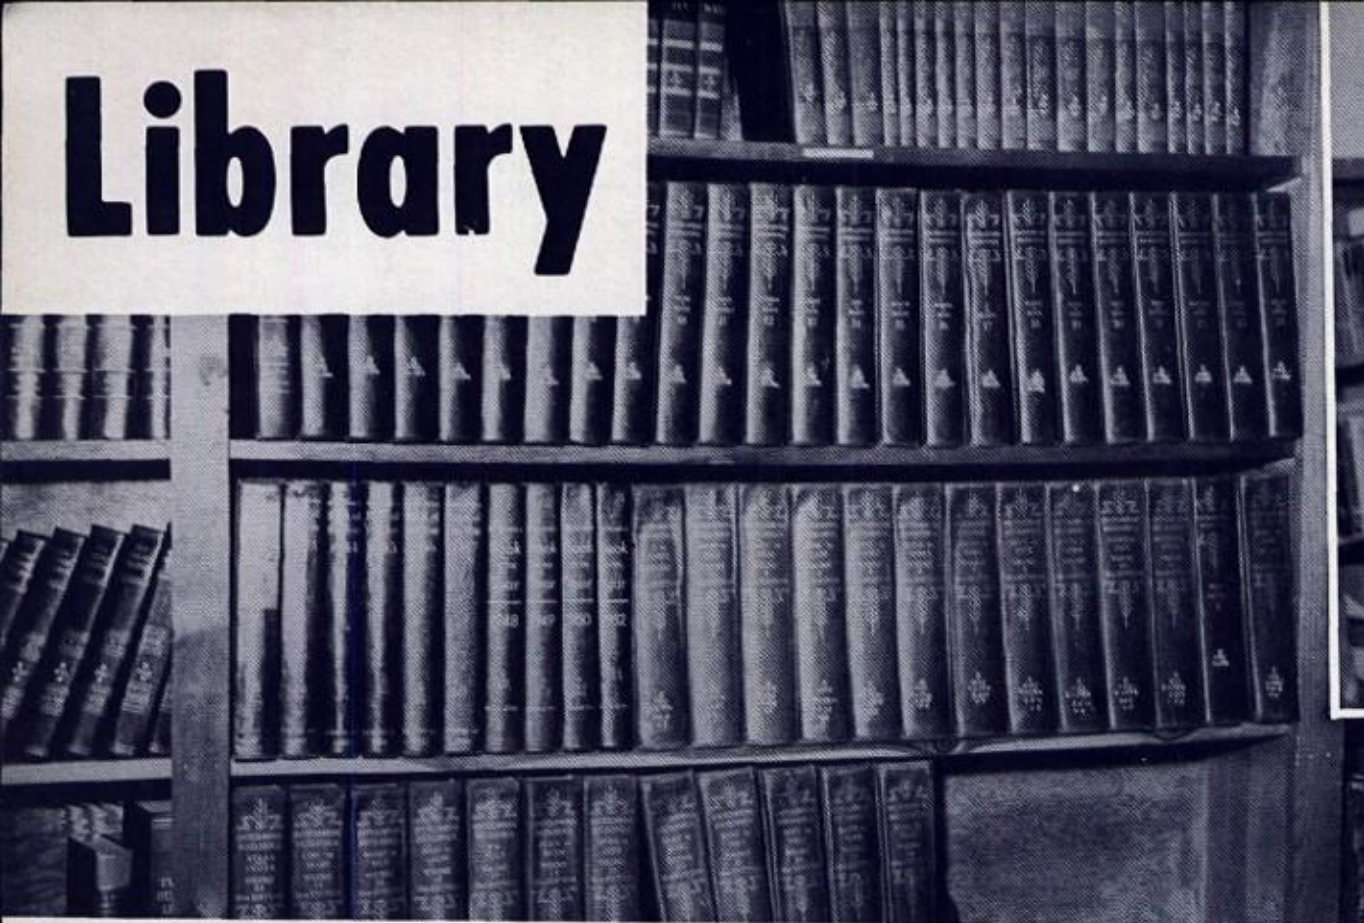

To you "Pop," for your loving devotion over the years. You who have guided, befriended us all--we give this heartfelt tribute to you. Your knowledge in the classroom has helped many of us open our minds to truth and wisdom. The very existence of our school stands as a monument to your labor.

For faith unceasing and prayers unrelenting, we dedicate this 1961 edition of the "Aurora" to you, James B. Frazier.

Library

One of the most important "branches" of our school is the library. This year has seen many new additions to the library, including Mrs. Bittleston, our new librarian who came to us from Northwest Nazarene College. Her former experiences have helped her in organizing the library.

The books and other reading material have been graciously supplied in the form of gifts. Of the 1,350 books that are contained in the library, fiction and biographies are found to be preferred. Second semester found even more students making use of the library's varied reading materials.

Periodicals and reference books have been used quite extensively. A new encyclopedia and an atlas set were given recently as a gift, along with four magazine subscriptions.

The hub of the library is the Library Science class, which is under the direction of Mrs. Bittleston. Marcene Borah, Wanda Pewitt and Sue Hoffman work as assistant librarians while taking this course. It includes studying library techniques and the use of the library, which enables them to help others who wish to use the library facilities.

The library is a vital part of our school and we are justly proud of it.

SCHOOL LIFE

In the following pages we have hoped to capture a few glimpses of the high-lights of our "School Life".

With registration came many new things: new faculty, new administration, and new rules: NO GUM!

As soon as everyone was settled, the first chapel meeting was called and following this...

...the first Senior Class meeting.

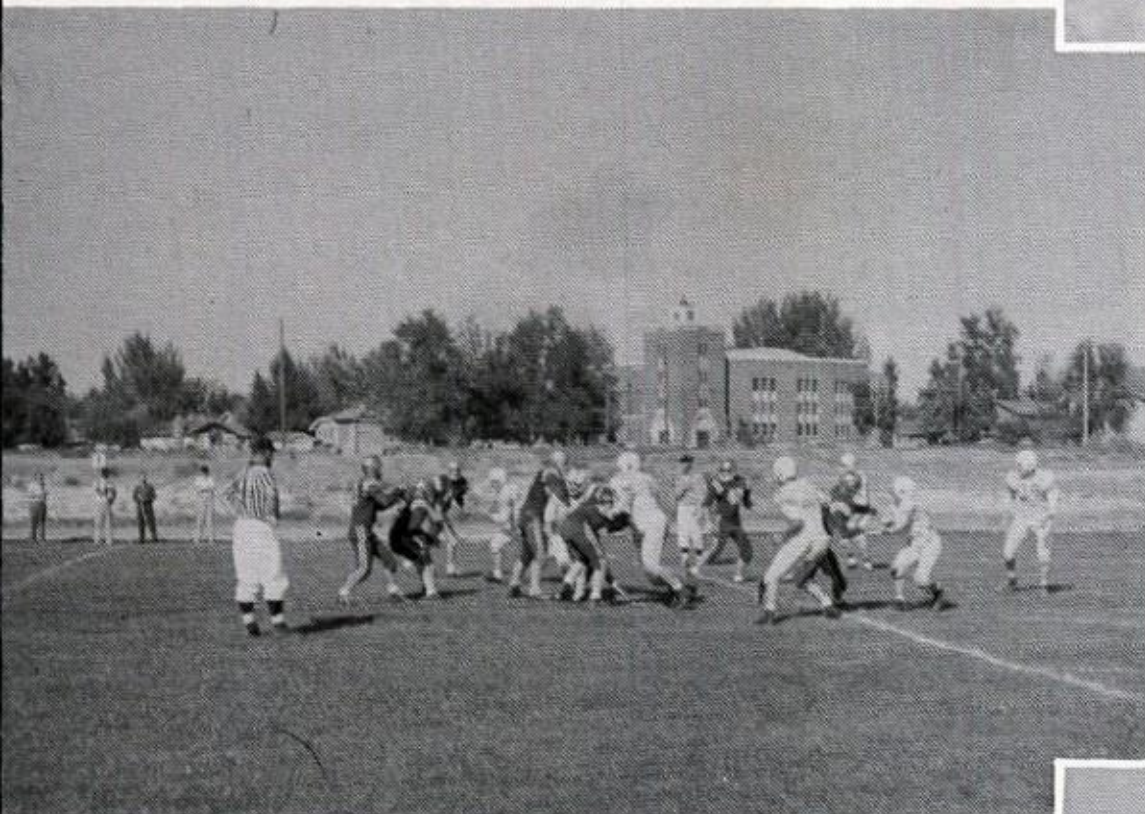

That first week was really a busy one, and on Friday night we all got to know each other a lot better at the All-School-Get-Acquainted Party.

Entertainment for the party was provided by all the classes. Although a Senior girls trio won first prize, Mortician McNaught created quite a stir with his corpses.

A lot of school spirit was created by the football games in the fall. This picture was taken at one of our home games.

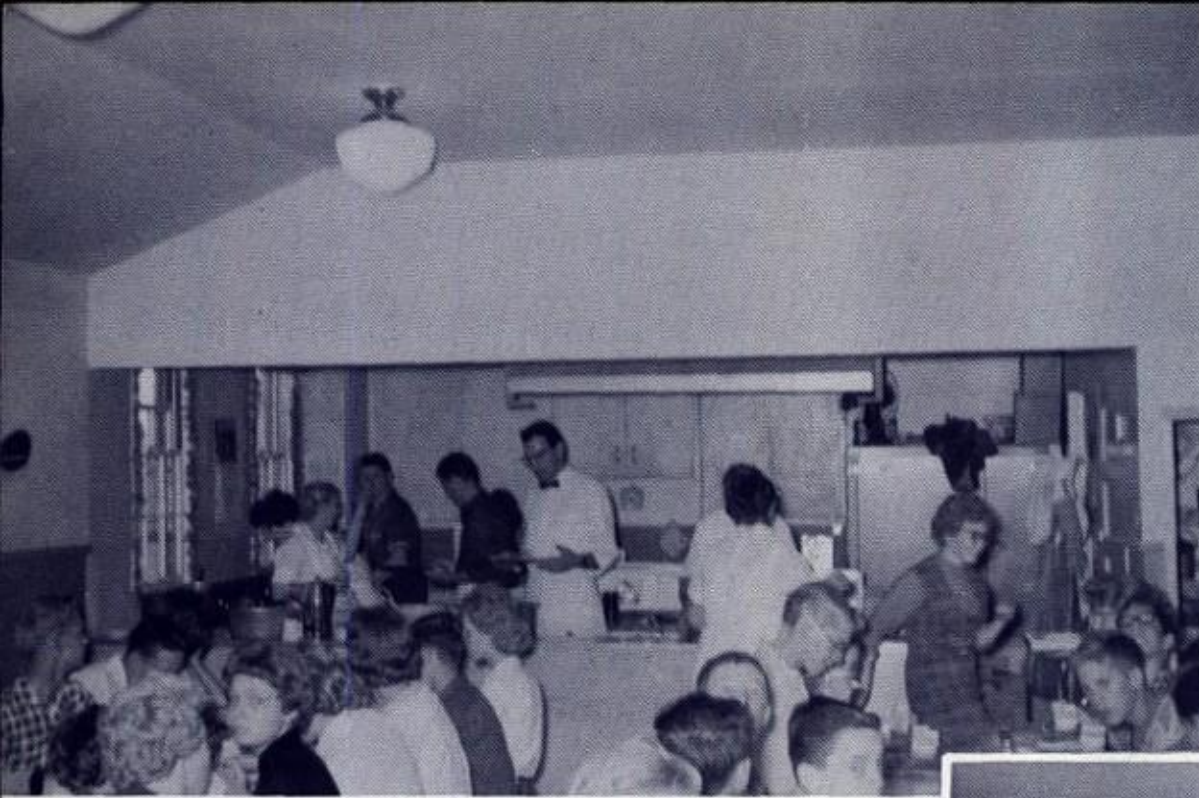

At right our cheerleaders are shown in action. (?)

Fall not only brought football games, but also some long-to-be-remembered Halloween parties. A good example of this was the Senior "Spook" party, one I'm sure will never be forgotten!

GIESE REALTY

Each noon a common place to find most of the kids is in the lunchroom. It appears this day Rev. Stowe acted as chief server!

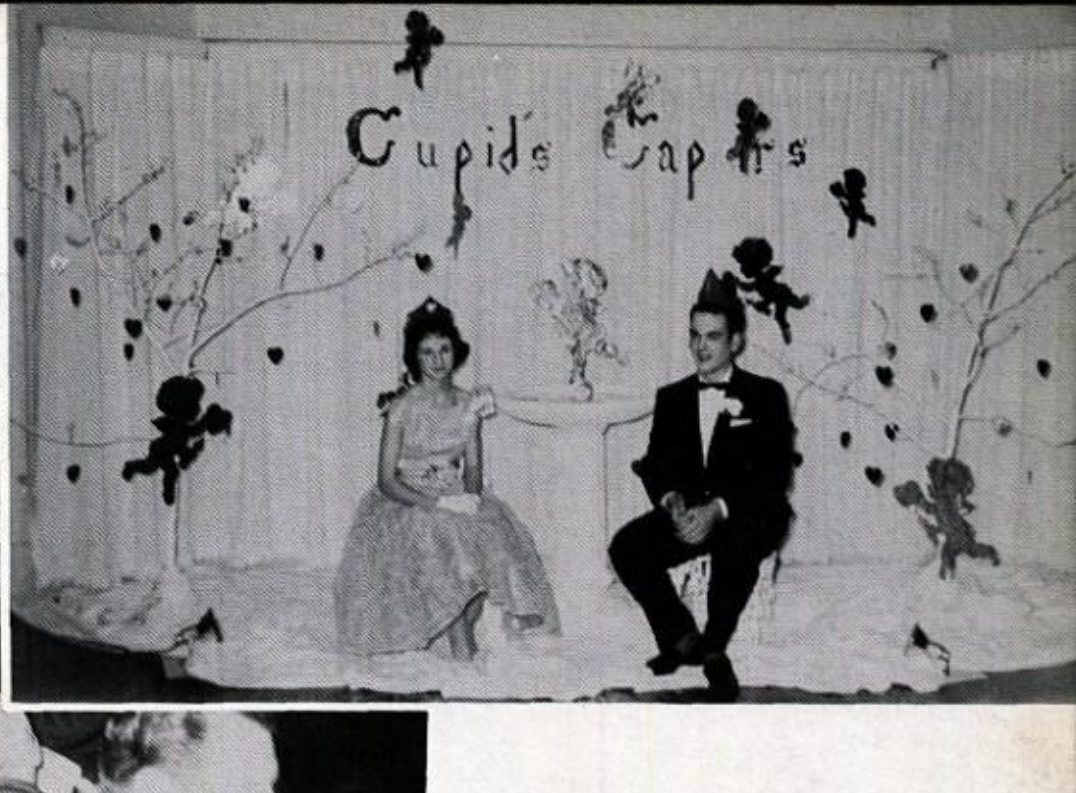

At the close of the football season the traditional party was given by the TGA to honor the team-members. The team worked so hard it seems they had to go back for seconds!

The high-light of the year was the Homecoming at which one of the three senior princesses was crowned queen.

At right Judie is being crowned and presented with her beautiful bouquet of roses.

(Above) A time of excitement for the Sophomores is always the Sweetheart Banquet. This year Joan Sporeleder and Steve Fletcher reigned as king and queen.

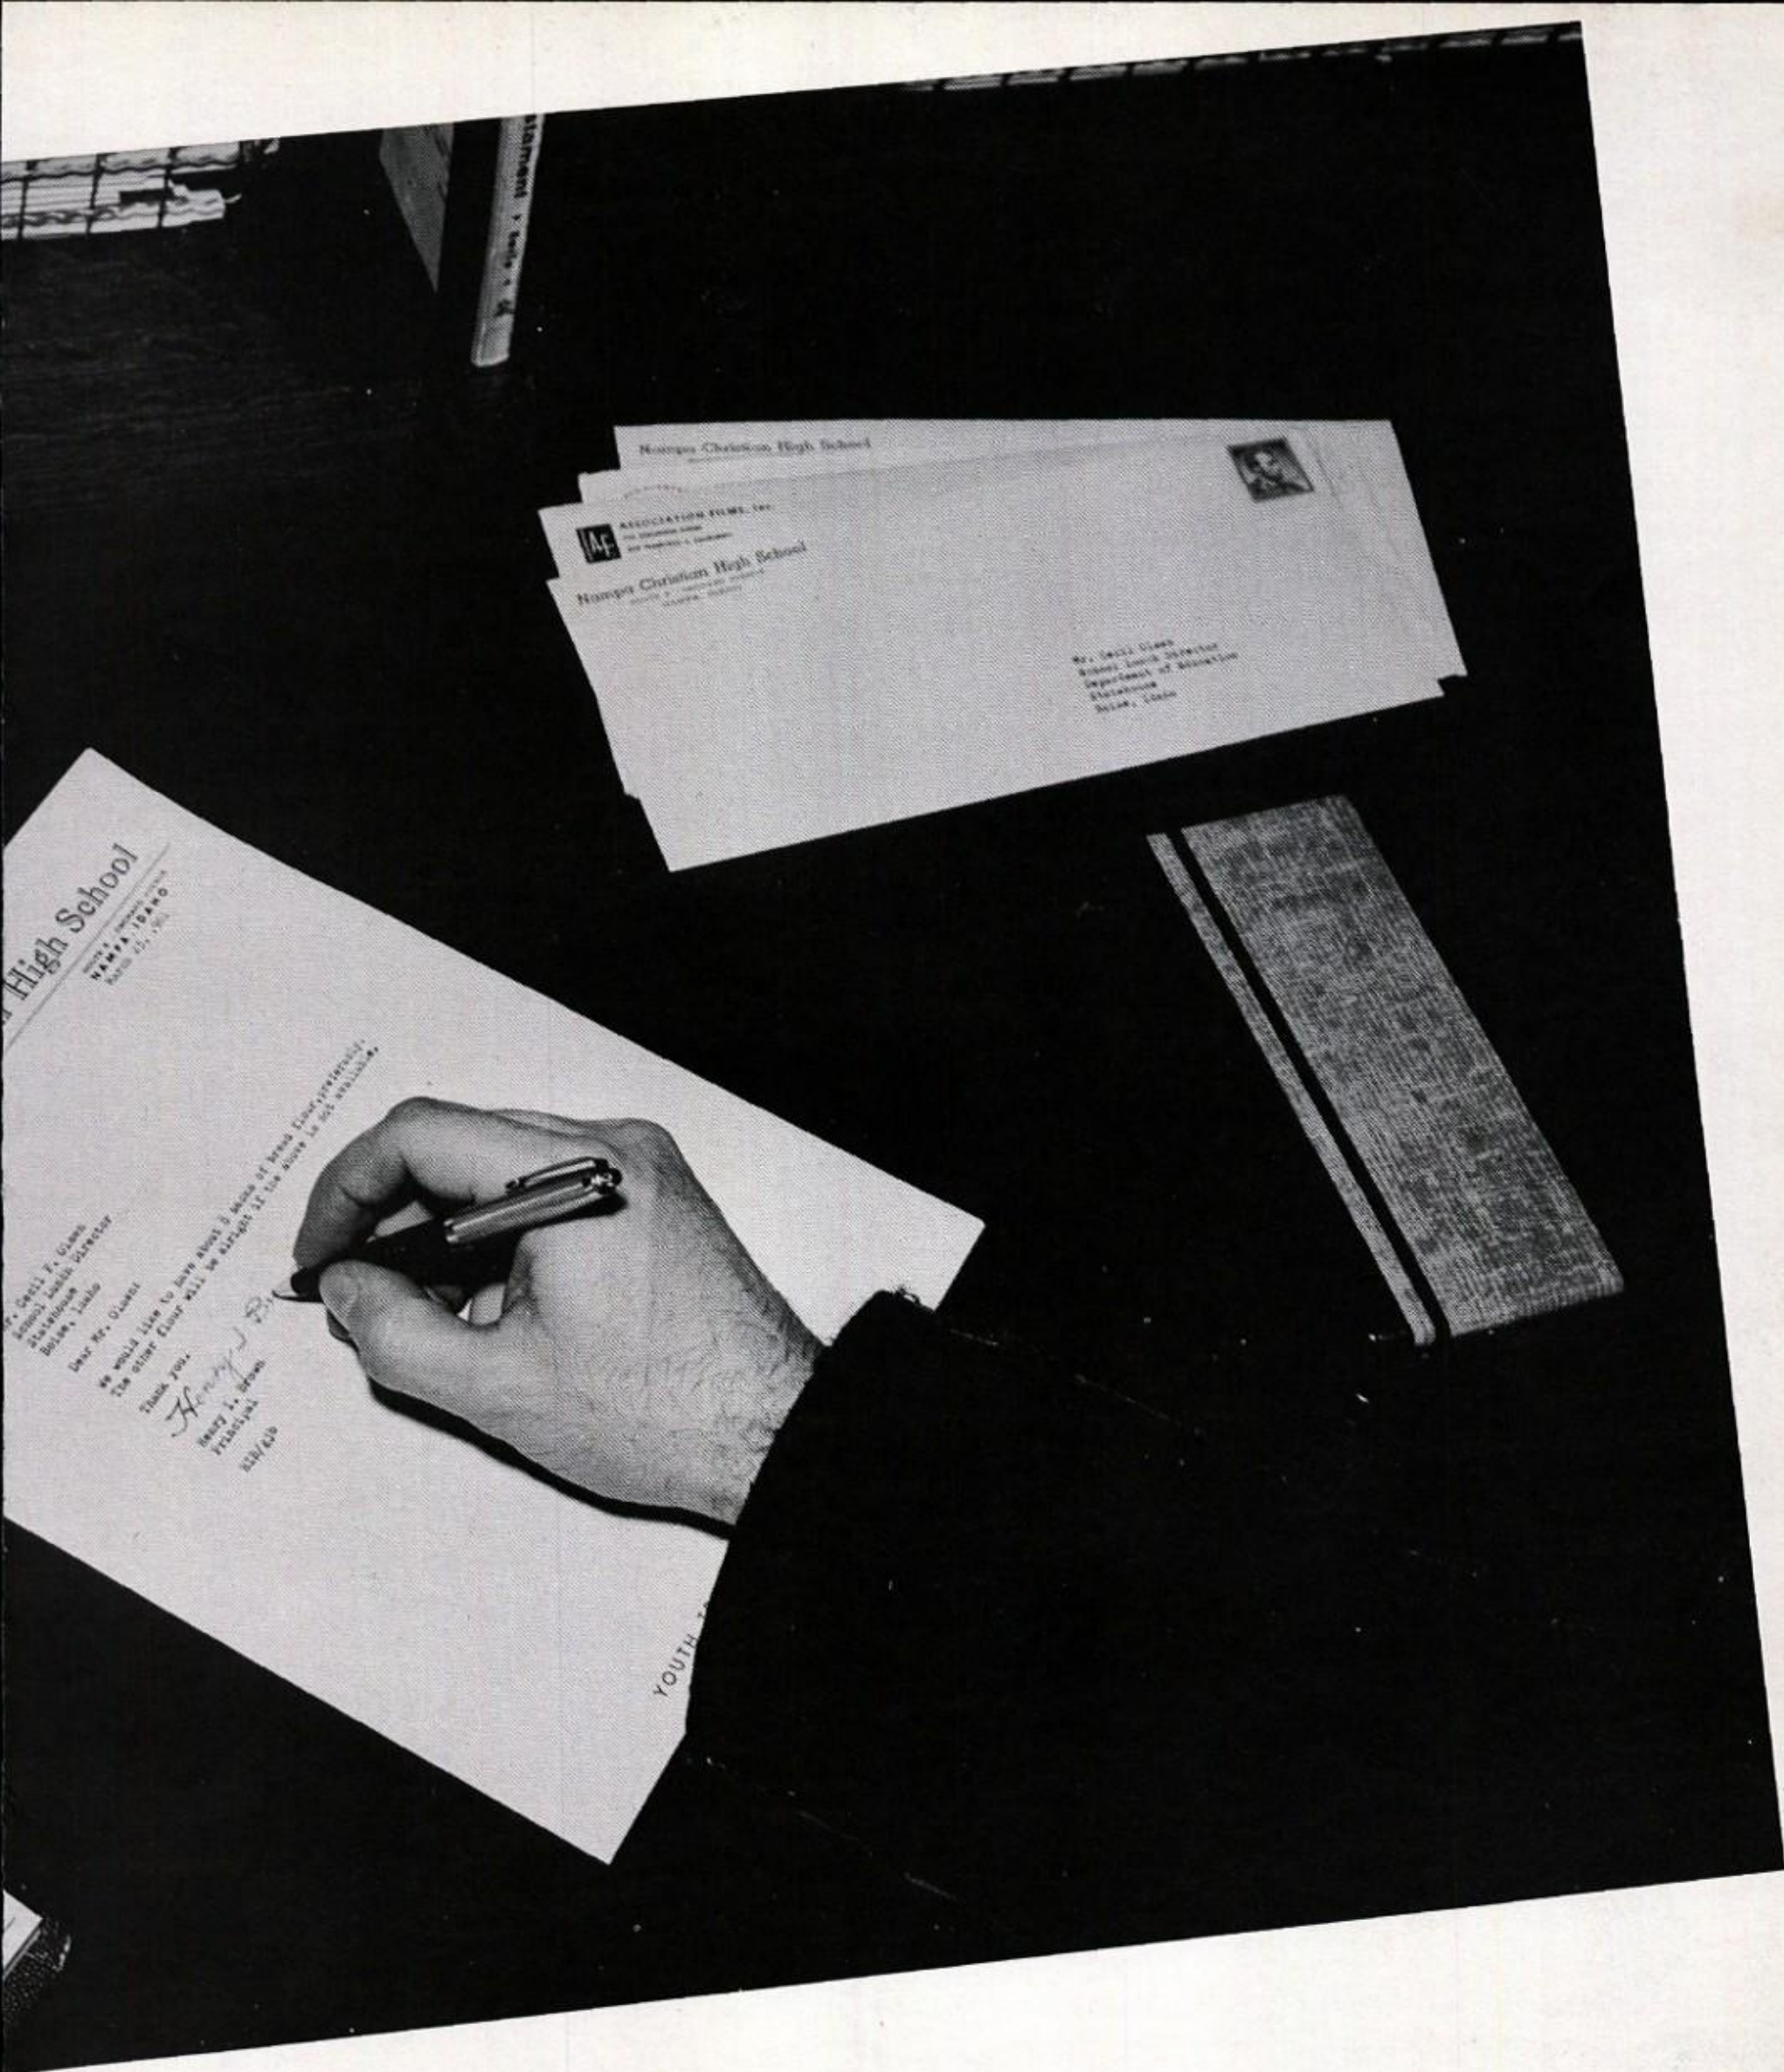

As winter brought the cold, it also brought basketball--a good time to let off the enthusiasm that had been building up all year.

A basket...will it make it or not?

One of the most exciting times of the season was when the team (plus a few!) went to Cottonwood to battle with the Panthers over the State Parochial Championship.

ADMINISTRATION

A Word from Our Principal...

CHRISTIAN EDUCATION

Education is a privilege. Christian education is a sacred privilege. The purpose of this school is to provide a high academic education in a truly Christian atmosphere.

All over America kindred institutions are springing up. Parents, teachers, and others are sacrificing that this kind of education might be perpetuated in this and succeeding generations. Why should this be?

The answer is rather obvious. Fundamental Christians universally realize that the most critical years of our youth are those which we commonly refer to as from childhood to adulthood. It is during this journey through "no man's land" that our young people most need a warm spiritual climate in which to become established in Christian experience.

Such a climate does not just "happen" to exist; it is caused. The causes are many; we suggest but a few. There are devoted, praying parents and friends, godly pastors, and a consecrated Christian faculty, and a strong nucleus of students who are "examples of the believers".

To one or more of these groups every member of our constituency can belong --- yes, must belong, if Nampa Christian High School is to enjoy the blessings of Almighty God -- blessings which are, in essence, the source of a healthful, spiritual atmosphere.

We are deeply grateful unto our God for all who have, in the past, contributed to Nampa Christian High School in this manner, and for those who will, in the years to come, belong to this select group.

BOARD

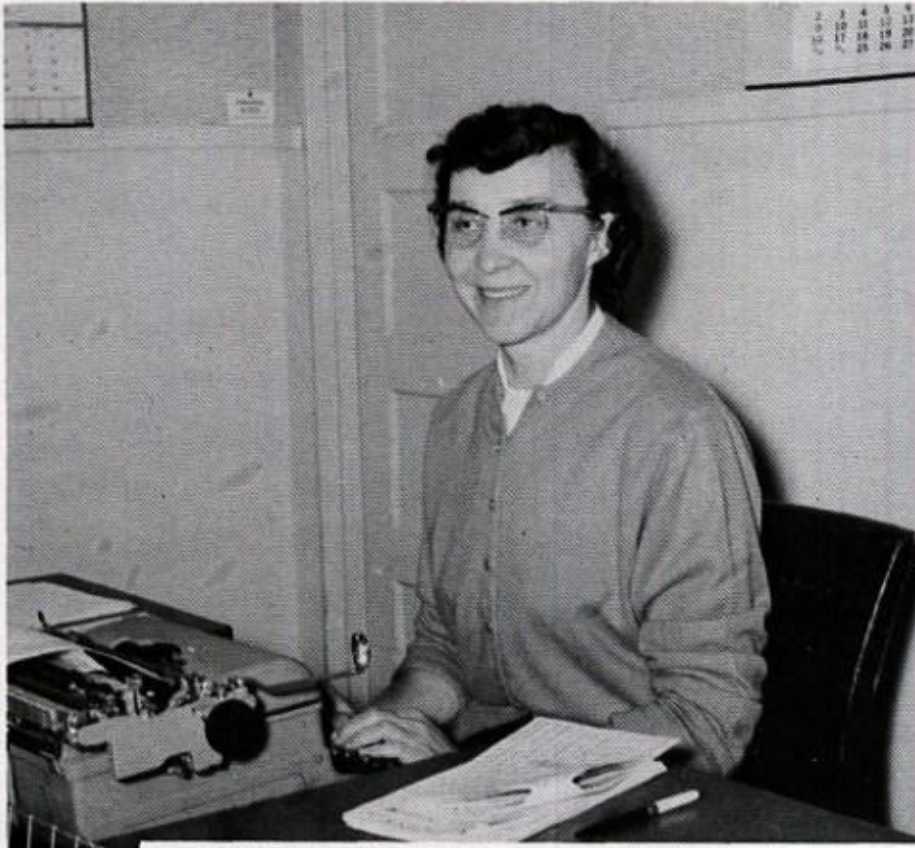

BOARD MEMBERS: Calvin Emerson, Enoch Ogstad, Russell Stanley, Olen Doane, Mel Bergstrom, Lawence Lancaster, Gerald Wesche, Wilson Dillabaugh.

The board of directors of NCHS has been very active in the affairs of the school this year. Chairman Olen Doane and his members met with Mr. Brown regularly throughout the year, making decisions which affected us all.

The other board members are Enoch Ogstad, Russell Stanley, Mel Bergstrom, Calvin Emerson, Lawence Lancaster, Wilson Dillabaugh, and Dr. Gerald Wesche.

We wish to thank these wonderful Christian men for their time spent as directors of NCHS.

OUR STAFF...

Mrs. Brown has served as our very gracious receptionist throughout the year. The job of keeping school records up-to-date requires many hours of labor but Mrs. Brown always found time for a friendly smile and a few minutes of chatting.

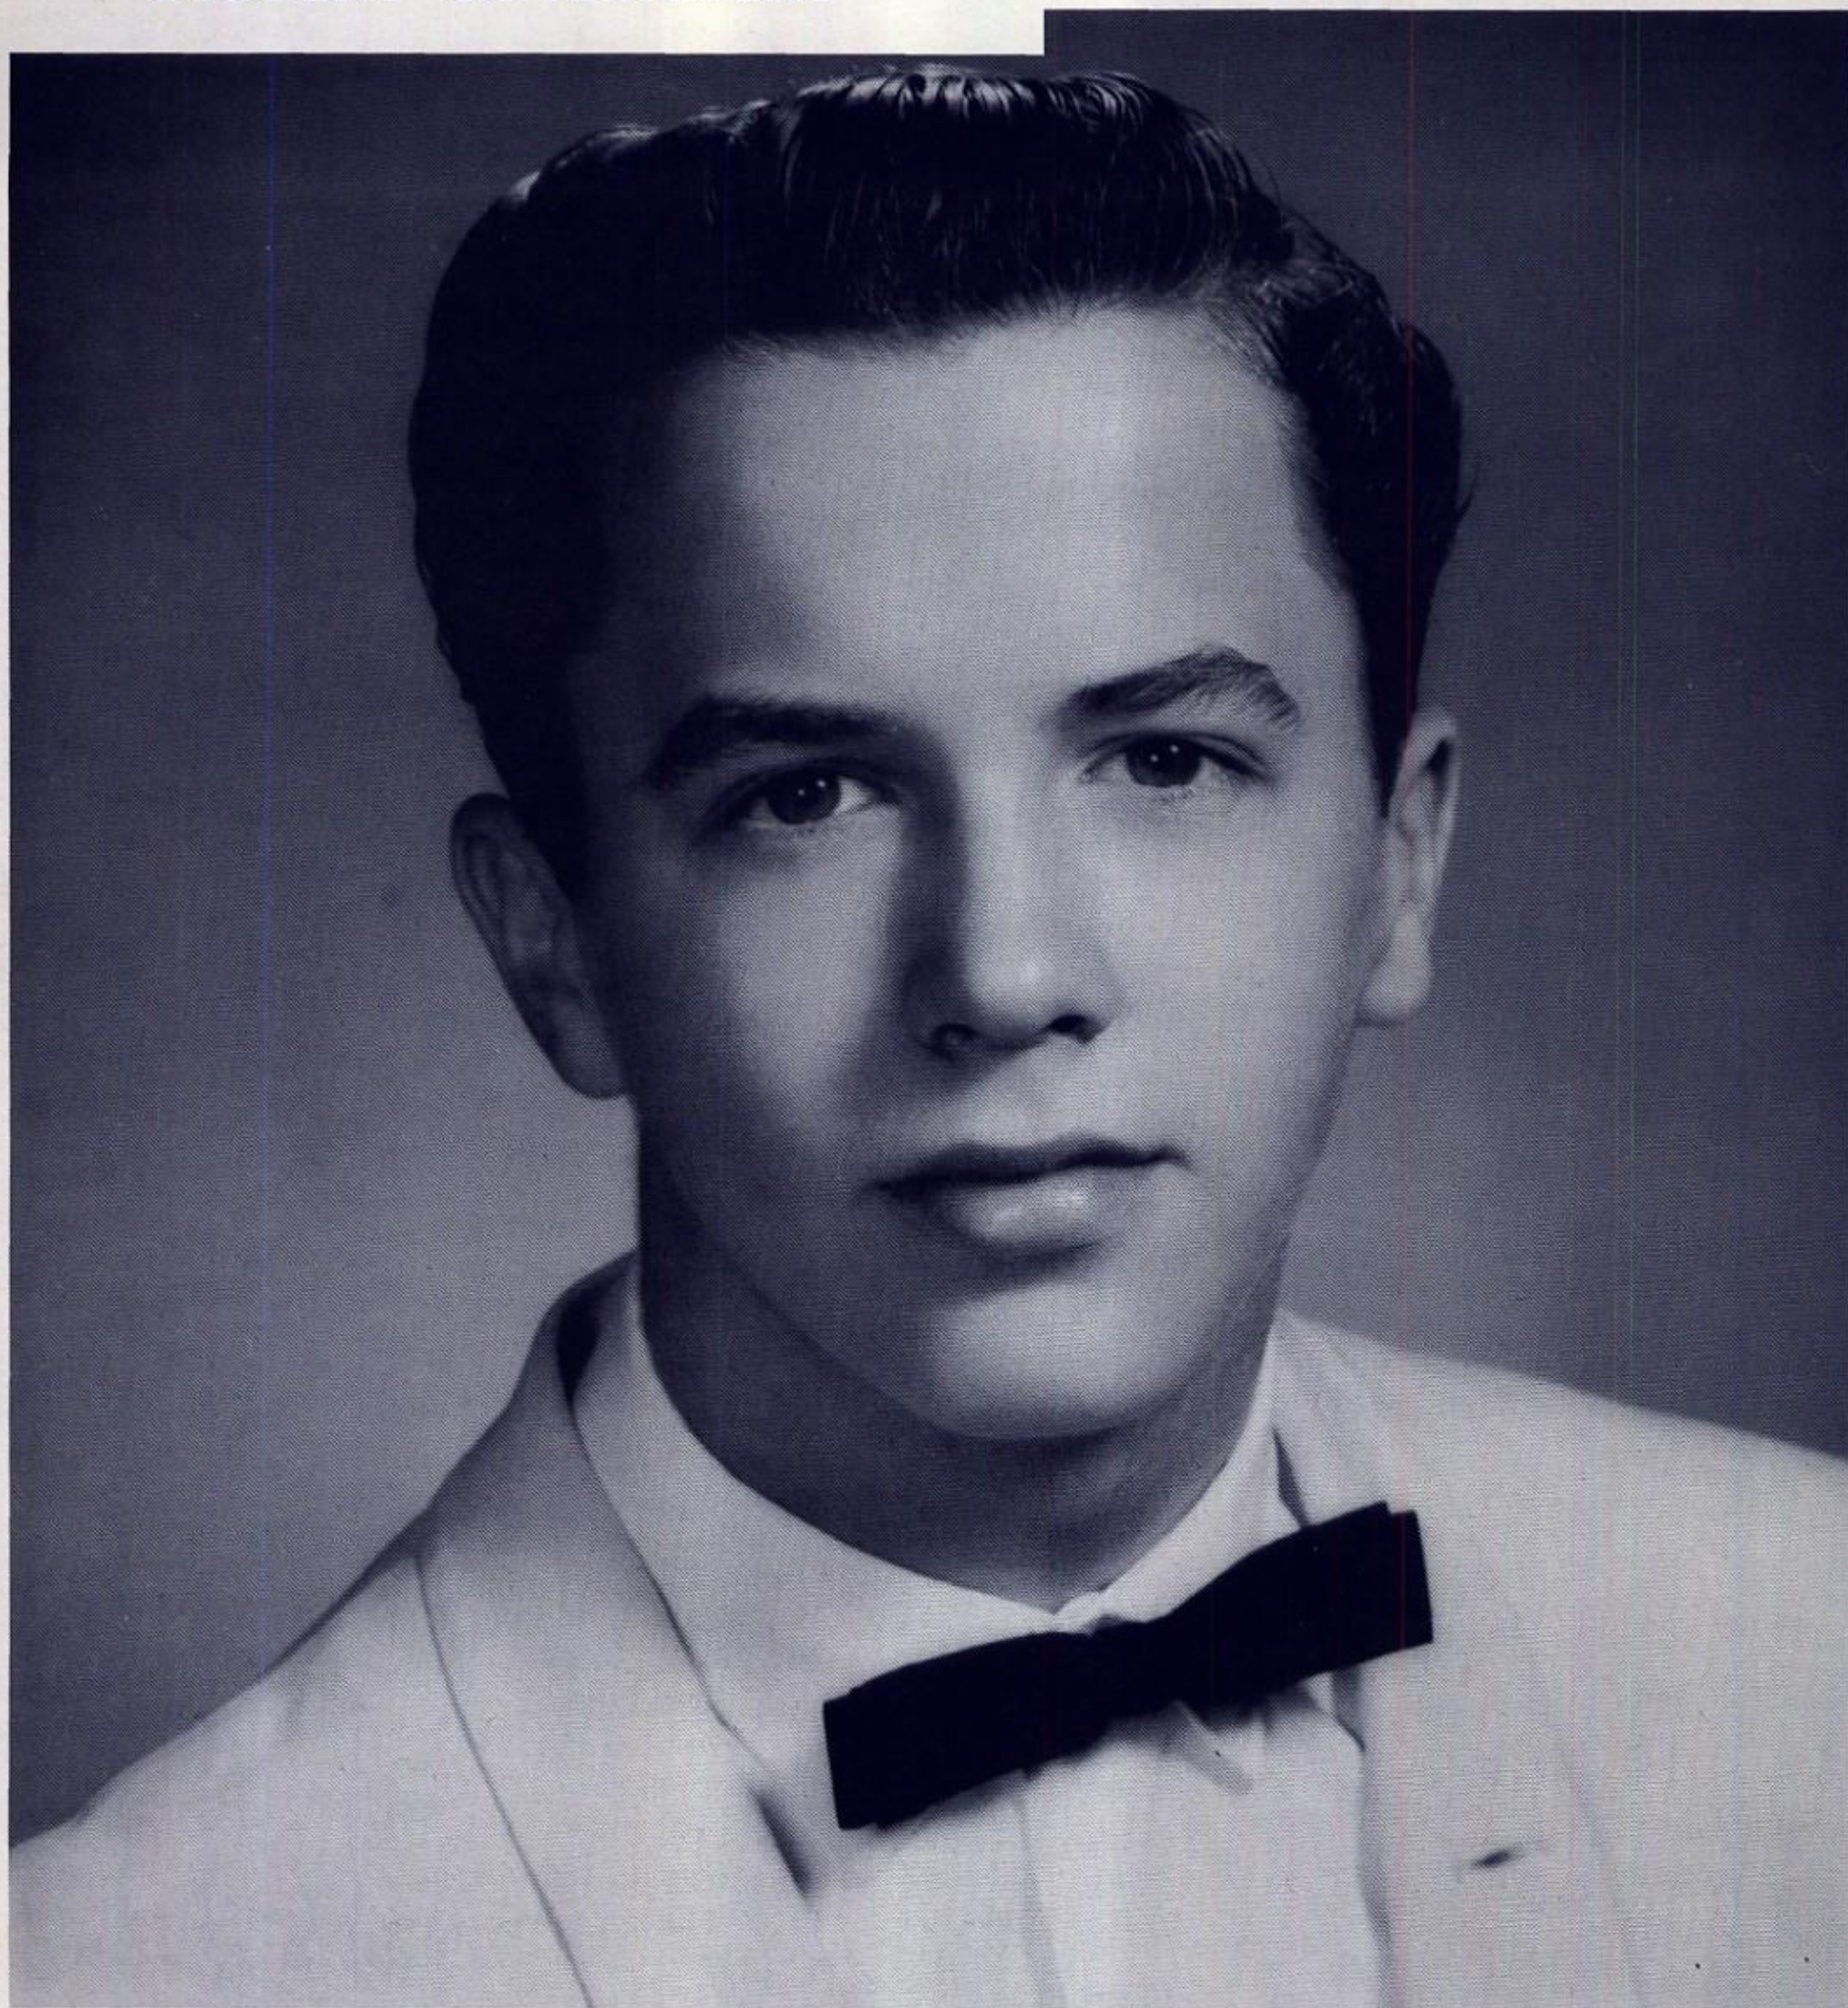

Mrs. Cramer and Mrs. Dyer prepared our meals from day to day. One day each month a special meal was prepared in honor of student birthdays celebrated that month. We felt especially privileged to have home-made bread and rolls which our cooks served with our lunches.

A special thanks goes to parents and friends who came each day on a voluntary basis to aid the cooks in serving our lunches.

STUDENT GOVERNMENT

It has been an honor and a privilege to serve as the student body president of NCHS this past year. I have appreciated the cooperation of the Student Council and the Student Body in organizing and carrying out the activities of the school this year.

Nampa Christian High School has been a wonderful blessing to me and my prayer is that all the students who come here will receive as much help and blessing as I have during my high school years.

SENIORS

The graduates of '61" have progressed another year together. Under the capable sponsorship of Ed Manley, the class has had another year of Christian activities.

Among the events was the masquerade Halloween party in a deserted barn and during which all participated in a Spook-walk followed by games and refreshments of sandwiches, cider and candied apples.

In December the class was caught up in the Christmas spirit as they went around to the nurs-

ing homes and to the hospital and caroled. Refreshments were served afterward.

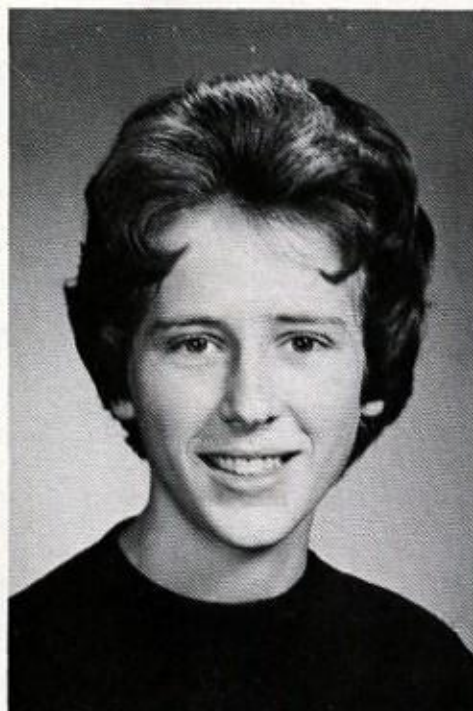

The Senior trip was a time that will not soon be forgotten. The class felt that it was a time of spiritual awakening as well as physical fun.

The spring brought the Jr.-Sr. Banquet, a high-light of the year and all the activities that graduation brings.

We, the graduates, are leaving N. C. H. S. with assurance of "heights unknown with God beside us."

Another class activity, was the trip to Bogas Basin during which all were thoroughly soaked but nevertheless, all had fun whizzing down the slopes on sleds and innertubes. An occasional spill or ending up in a snow drift merely added to the fun.

A chili feed and a Halloween party highlighted other class activities.

Class committees spent many noon-hours and meetings deciding on arrangements for the traditional banquet given by the Juniors for the Seniors. The banquet, held at the Stardust Dining Room in Boise, will certainly be remembered by all.

Looking forward to the time when they will be the Seniors at NCHS, the Junior class is looking into the future with a hope of growing spiritually and mentally.

Under the leadership of President Nancy Michaelis, the TGA (formerly "Pep" club) did their best to increase the school spirit for the year 1960-61.

The main project of the TGA is sponsoring the Homecoming. The girls traditionally decide the theme from suggestions handed in by the Student body. This year the theme "Rhapsody in Blue" was carried out beautifully in silver and blue. Some other Homecoming activities are a tea which is given to honor the Homecoming court and a Reception following the Homecoming game.

Throughout the year, various parties are given honoring the teams of the different sports.

In the third quarter Hessling ran four yards through the line for his 13th point of the game. Fitch scored the Trojans last touchdown on a 31 yard run around end with Holtry for the extra point. A clipping penalty and a touchdown in motion penalty kept the Trojans from running up a larger score. Because of those two penalties two touchdowns were called back. Assistant Coach Wally Johnson commented "The team looked a lot better on defense out their passing defense needed a little work." Greenleaf completed 11 of 20 while the Trojans were 5-8.

As the annual is going to press the basketball season has not yet come to a close. With only three games left to play, the season record now stands at 9 wins and 4 loses.

Although the Trojans got off to a rather slow start, the conference record is now 5-0.

One of the highlights of the 1960-61 season was when the Christian High five defeated their traditional rivals, the Greenleaf Grizzlies at our annual homecoming with a score of 66 to 42.

Trojans Win League Game

The Christian High Trojans rolled to their third straight victory and their first in league play as they opened conference play at Grand View, 47-40.

Coming from behind at the end of the first quarter and leaving the 17-17 halftime deadlock behind, the Trojans caught fire in the third quarter and went ahead to stay.

Beryl Holtry was Christian High's leading scorer as well as for the game with 27 points. L. Harris led the losers with 21.

Coach Wally Johnson was pleased with the floor play of Gary Tippitt and Dick Mark. "They both played a good floor game before they fouled out," commented.

Of Holtry's 27 points, 24 of them came from the floor as he made 12 of 18 shots.

Trojans Nab 7th Triumph

The Christian High School Trojans squeaked out their seventh win of the season as they defeated St. Teresa's Academy Thursday 46-43 in a thrilling contest that was a battle right down to the wire.

With 2 minutes left in the game Christian High held a one point lead over the Saints and they increased it to three points as the lead then went back and forth between one and three points until the final buzzer sounded.

Beryl Holtry paced the Trojans with 18 points which helps him maintain his 17 point average.

Christian High held the advantage at the end of all the quarters of the game.

The Trojans now maintain a 7-5 record and their conference mark is still unblemished. The enthusiasm ran high as the student bodies were yelling at the top of their lungs as they enjoyed the fast and exciting battle.

The '60-61 season was a successful one with a record of nine wins and seven losses.

Two of the Season's highlights were the Greenleaf and St. Teresa. They were defeated by Greenleaf in the first game but came back for a smashing victory in the second clash.

The game with St. Teresa was the last game before the tournament games and they were really out to win. They started off with a big bang and kept an eight to twelve point lead all the way.

Along with their coach, Ernie McNaught, the boys commented that they felt they had finished a very successful season and that they profited greatly from their experience.

The Junior High basketball team, though coming out short on their final season record, showed great improvement in working as a team and also on fundamentals.

The final season record was 2 wins and 7 losses with both wins coming from Midway.

The top scorer for the team was Ron Bergstrom with an eleven point average.

Coach Kreps commented that the team was at a when it came to height, but made up for it in hustling.

**Christian Tops
Bruneau Nine
For Initial Win**

Christian High's Trojans took the diamond for the first time this season and brought a 5-2 victory home from Bruneau Friday afternoon.

Bud Kinzler starred on the mound for the Trojans as he gave up only two hits and struck out 10 batters for his afternoon exercise. His twirling is even more impressive—with respect to strike-outs—in light of the fact that the game only went five innings due to the weather.

Big men at bat for Christian were Kinzler and Beryle Holtry, who both banged out three-baggers, and Robin Yount, with a double and a single.

Christian committed one bobbie and Bruneau played errorless ball.

The Trojans left seven men on base and got seven hits.

Next Friday Christian hosts the Kuna nine at NNC diamond at 3 p.m.
